2. Comparing UCI e-mail to other e-mail services,

	UCI is better	UCI is about the same	UCI is not as good
For reliability:	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
For ease of use:	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
For handling spam:	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
For other reasons, such as storage space, special features, ...	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Which of these is most important to you?	<input type="text"/>		

3a. Which of the following statements best describes you and your use of technology?

- I love new technologies and am among the first to experiment and use them.
- I like new technologies and use them before most people I know.
- I usually use new technologies when most people I know do.
- I am usually one of the last people I know to use new technologies.
- I am skeptical of new technologies and use them only when I have to.

3b. Please tell us if you agree or disagree with the following statements regarding the usefulness of information technology for your UCI courses.

By “information technology” we mean any electronic means of obtaining or sharing information, such as a course web site, an instructor who uses Power Point presentations in class, course on-line discussion groups, reading materials on-line, on-line office hours, etc.

	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
I am more engaged in courses that require me to use technology than in those that do not require me to use technology.	<input type="radio"/>					
Overall, my UCI instructors use information technology well in my courses.	<input type="radio"/>					
Information technology helps me do better research for my courses.	<input type="radio"/>					
The use of information technology in my courses has improved my learning.	<input type="radio"/>					
Information technology improves communications with my instructors.	<input type="radio"/>					

3c. If you use a laptop during class time, which statement best describes how you use it?

- I don't have a laptop *or* I don't use it during class time.
 - When I use my laptop in class, I focus primarily on class-related activities such as taking notes, referring to course-related web sites, reviewing the syllabus on-line, etc.
 - When I use my laptop in class, I focus primarily on non-class-related activities, such as reading and sending e-mail, surfing the Web, playing computer games, etc.
 - When I use my laptop in class, I spend about an equal amount of time on class-related and non-class-related activities.
-

4a. When using UCI web sites, how easy is it for you to find what you need to know about campus programs, services, policies, and procedures?
